

CUSTODIAL SERVICES AND FACILITIES MAINTENANCE SPECIALISTS

TAILORED CUSTODIAL SERVICES

Our primary operating philosophy is guided by the goal of being acknowledged as the provider of quality services among its clients and peers. This is only possible by understanding and responding to client needs and operating as close to the client as possible.

THE MARCIS ADVANTAGE

Marcis & Associates leverage their industry expertise to surpass client expectations and navigate the complex business landscape. Their approach includes responsive management, quality assurance, well-trained staff, and budgeting solutions that aid administrators in achieving financial targets while prioritizing clients. This ensures a positive impact on the facilities' patrons.

BENEFITS

Tailored and Proactive Maintenance

Marcis & Associates offer a year-round proactive facility maintenance program that is tailored specifically to each client's needs. This personalized approach ensures that all aspects of facility maintenance, from budgeting to cleanliness in high visibility areas and traffic flow accommodation, are meticulously planned and executed.

Trustworthy Team Approach

The quality service program by Marcis & Associates employs a collaborative team approach, fostering a relationship of trust with their clients. This method underscores our commitment to maintaining a clean, pleasant work environment that attracts clients, patrons, and visitors throughout the year.

Continuous Improvement and Value

Marcis & Associates is dedicated to continuous improvement by integrating the latest advances in technology and environmental awareness into their skills and management training. This forward-thinking approach ensures that we are always at the forefront of facility maintenance practices, offering maximum value for building maintenance expenditures
